Warren and Robbie Litzman,

Greeting in the name of the Lord Jesus Christ and to everyone in the ministry who has put all the effort and hours working hard for us in prison to receive the books that are changing many lives and they also are starting the walk in seeing Christ in us. In our Spanish church here in prison I am able to bring an exhortation every Sunday as I present the In Christ and the Cross to many of them. God is blessing my life as I cannot speak anything but "Christ Liveth In Me." Life is in Jesus Christ, and as I study my Bible, I study your books and have learned that not I, but Christ, liveth in me, that the "I" has to go, or remove, and allow Christ to live our lives for us.

Your book on "Revelation Knowledge and Fourth Dimensional Living" has been one of the most powerful books, along with my Bible. The living word has overflowed every where that I go or speak. I have been under this ministry almost 10 years and I will forever be grateful to God for me coming out of law into grace. Today I am an In-Christ believer.

I would like to request some books because four men have come to Christ because they were under law for many years and never really knew or never had they learned Christ. The books I request are "The Curse Is Broken," "The Law is Not of Faith," "Our Doctrine Is Christ," and "The Ultimate Revelation of the Cross."

For me, I would like to ask how do I go about receiving books, "Life in the Colony," "Rise and Fall of Self," and "Keystone Bible Study Notes." How can I receive these books? Is there a way to write William Landon or do they not print them any more? Please Warren, I need your help to receive these books, if at all possible. Warren, I don't have time to watch T.V. I spend many hours studying the In-Christ message because I have come to learn Christ the person Himself. When I was in the world I never read or knew the love of Christ. Yes, all my life I went to church, but I never knew the power of the cross. Today, I can't stop reading, praying and learning about the living word. Today I am a changed man, a new man in Christ Jesus. Inmates at church say that I never speak about the Old Testament but that I am a Jesus freak. All I know is that I have crossed over from death to life, from law to grace. May God bless you all and thanking you all for the love of Christ that all of you have for us men in white.

A simple man in Christ,
"Lil" Joe Cortez
