My reason for writing this letter is to share this fantastic message that I read yesterday by Linda Schultz. It was in the 2009 Christmas Life in the Son. Yes, I am a Christian. I saw this booklet and picked it up, and looking through it, Linda's testimony lifted me up so much, you have no idea. As I was reading her story, and the more I read, the more, in some parts of it, I saw myself and it truly touched my heart and lifted me up. In fact, I couldn't put it down.

The Lord has put it upon my heart to write this letter, and to tell you a little about myself. I'm from Boston, Massachusetts, raised as a Catholic until the age of 13 years when I walked away and did not look back at the Lord for many years. I became an alcoholic and went to a meeting every day and night and did well, and still doing well. Praise God. In June 2009 I was told I had liver cancer. On July 29, 2009, I had surgery and they burned off 5.4 inches of my liver. Now August of 2010 they found a tumor growing over my liver. Within the next week to ten days, I will go back and be cut on again. I want to share this with you, my heavenly Father has given me a new life in bringing me through the first surgery and He will again this time. I praise Him 24/7 and will forever and ever. Amen!!

I am in prison, and will be until around the end of this year if I can find a place to go. My family has turned their backs on me years ago. But, I know that my Lord will find me a place to go. Amen! I'd like to request that I be put on your mailing list please. I have so much peace within my heart, I read the Bible every day and I grow every day, and He guides me so much.

Yes, Linda's message to me was truly powerful, and some of her circumstances just caught me. And every day I am hungry for word of my Lord Jesus. I am humble and no longer in denial, I tell everyone what the Lord has done for me. Also, thank Him for leading me to Linda's testimony. I will pray for her every day. Please thank her for her article as it has touched my life and has given me strength.

Well, I'll close now my sisters and brothers. And, once again, Praise God that I was led to this article of Linda Schultz. And, please remember me in your prayers. Amen!!

Thank you Linda Schultz.

God bless you all,
William Rezendes
